**Please make checks payable to: Hall's Farm**

I understand that this is a Community Supported venture and that, although the farmer is committed to the best of his ability to provide high quality produce, there are risks in agriculture (Mother Nature's whims) that need to be shared by the whole community. Product availability/quantities may vary from year to year. I understand that my payment entitles me to a weekly share of the produce harvested by the George Hall Farm CSA during the harvest season. Always feel free to have someone else pick up your share if you can't make it. Any unclaimed shares will be available at the farm until the next day unless arrangements made by 6pm Tuesday to pick up at a different time. Failure to pick up shares at a set time or without prior notification will result in forfeit of your share for that week.
